

Happy Earth craft

What You Will Need

- Cardstock template
- Scissors
- Crayons
- Gluestick

How To Make This Earth Craft

Use crayons to color the template.

Cut the template pieces out.

Glue the eyes, mouth and heart to the Earth.

Trace the arm/leg template onto green or blue construction paper. Trace and cut out four pieces.

Fold each arm/leg piece in an accordion shape.

Glue the arms and legs onto the Earth.

Your Earth craft is finished!
