OVERDRIVE FOR KINDLE FIRE

Go to http://overdrive.com/Software/omc/

Click on the "Download OverDrive Media Console for Android from OverDrive" link to install the app (it is not available in the Amazon Market for the Kindle Fire).

This will allow for the ability to download EPUB eBooks for reading to the OverDrive app or Kindle titles to the Kindle app.

Create a Adobe ID or log into Adobe if you already have one.

1. From the Home screen, tap the 'Quick Settings' icon and select More.
2. Tap Device.
3. Turn the switch for "Allow Installation of Applications" to the on position.

When navigating to the library in the app, it will take you to the full site.

You can checkout EPUB or Kindle titles.

When clicking on "Get for Kindle", the title can be sent to the tablet as long as there is an active WiFi connection.

(See the instructions for KINDLE to download books)

Note: The first time you download a book you will need to restart your device to install the apps.

*Kindle users follow instructions on last page

nook®

How to transfer Adobe EPUB and PDF titles to a Nook Tablet, Nook, Nook Color and Nook Simple Touch.

From Computer: You can install Adobe® Digital Editions on your system a number of different ways. The simplest is to visit the installer page http://www.adobe.com/products/digitaleditions/ (Note: you may be prompted to install Adobe Digital Editions when borrowing an item from the library).
Confirm Adobe Digital Editions is authorized properly: In Adobe Digital Editions, from the title list view, go to the Library menu and select authorize computer.
- If ADE is authorized, move on to #3.
- If ADE is not authorized, proceed through the steps to authorize it with an Adobe ID.
To Download book from Overdrive:
From a computer with an Internet connection, go to
http://ctdl.lib.overdrive.com
Locate an eBook that you'd like to check out.
Select "Add to Cart."
Click "Proceed to Checkout."
Select Lago Vista Public Library
Enter library card number and phone number.
Click sign-in.
Click Confirm Checkout.
Click Download.
Connect the Nook to your computer.
If this is the first time connecting the Nook to Adobe Digital editions, a device assistant window should open asking you to authorize your Nook. Follow the prompts to authorize your Nook.
5. In 'Library View', click and drag a title over to the Nook device icon in Adobe Digital Editions.
Disconnect the Nook.
The transferred Adobe eBook title will be located in the 'My documents' section on the Nook. If you are using the NOOKColor, Nook Simple Touch or a Nook Tablet, transferred titles will be located in the 'My Files | Digital Editions' section.
